Friday Sermon  
December 3<sup>rd</sup> , 2010

NOTE: Al Islam Team takes full responsibility for any errors or miscommunication in this Synopsis of the Friday Sermon

# SUMMARY

Hudhur (aba) said that only Ahmadis of today are the models of victimised believers

Hudhur (aba) referred to a poetic verse of the Promised Messiah (on whom be peace) outlining the principle to deal with such persecution

‘When the enemy exceeds in noise and clamour; we take refuge in the Hidden Friend’

Hudhur (aba) explained that in order to attain complete sincerity and absolute devotion to God, it is needed to lose oneself in the Hidden Friend

When the world persecutes God’s peoples, He and His angels shower every blessing on those who ‘hide/absorb themselves in the protection of Allah’

Hudhur (aba) said that each Ahmadi should offer two *Nafil* Prayer a day for the persecuted Ahmadis

# Persecution of Ahmadis

## Victimised believers

When the enemy tries his utmost and adopts the ploys that belie humanity in order to persecute and eliminate God's people

The enemy wishes to deviate believers from following ways that attain God's pleasure

At such times, steadfast and resolute believers turn ever more to God to seek His help

Hudhur (aba) said that only Ahmadis of today are the models of victimised believers

## Response of victimised believers

The Promised Messiah  
(on whom be peace)  
has captured the  
scenario of the enemy  
exceeding all limits  
and the resulting  
condition of the  
believers in an Urdu  
poetic verse:

**When the enemy  
exceeds in noise  
and clamour  
Hide do we in the  
Hidden Friend**

The poetic verse makes it clear to the enemy that while he persecutes in the assumption that we will beg for mercy, he is mistaken

We are the followers of the great Prophet Muhammad (pbuh) who demonstrated a model of supreme courage and with his power of holiness his Companions too displayed great bravery

In the face of extreme cruelty they only ever raised the slogan of One God and always turned to Allah

Thus, when the commandment given to us is to follow this model, how could we be in step with our opponents?

# Persecution of Ahmadis

## Help for victimised believers

Indeed, all the schemes of the enemy against Ahmadis will rebound on them because in following the Promised Messiah (on whom be peace) we have seen God's practical testimony to be in his favour

**How could we leave our God Who has placed tranquillity in the hearts of the Community at every challenging occasion!**

It is not possible for us to leave our God and make these people our idols and if they are persecuting us in these presumptions, they are wrong

**DECEMBER 3RD, 2010**

Those to whom men said, 'People have mustered against you, therefore fear them,' but this *only* increased their faith, and they said, 'Sufficient for us is Allah, and an excellent Guardian is He

الَّذِينَ قَالَ لَهُمُ النَّاسُ إِنَّ النَّاسَ  
قَدْ جَمَعُوا لَكُمْ فَاخْشَوْهُمْ  
فَزَادَهُمْ إِيمَانًا  
وَقَالُوا الْحَسْبُنَا اللَّهُ وَنِعْمَ الْوَكِيلُ

Chapter 3, Verse 174

Hudhur (aba) said as the enemies unite against us, this increases us in our faith

Because we note that it is in fulfilment of a prophecy of the Holy Prophet (pbuh) that all the sects will get together against the community that will have God's support in the time of the Messiah.

**God's quality of being 'Sufficient' encompasses every aspect**

Who else can better understand the matters of His servants and seize the enemy and declare blessings for the believers?

**DECEMBER 3RD, 2010**

Hudhur (aba) said our opponents may insist that as they are in accord with each other they are in the right,

However, God states that believers turn to Him in times of trial and safeguard their belief against throngs and remain calm

The testimony of the Hadith of the Holy Prophet (pbuh) goes against them, their unanimity does not make them the guided ones

ط  
إِنَّا لِلَّهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ

Surely, to Allah we belong and to Him shall we return

Chapter 2, Verse 157

## Persecution of Ahmadis

**DECEMBER 3RD, 2010**

The Promised  
Messiah (on  
whom be  
peace) said,  
'lose yourself in  
the God Who  
grants all the  
blessings and  
Who accepts  
prayers

Hudhur (aba) said this is the only formula which  
has always come in useful for believers

When the world persecutes God's peoples  
He and His angels shower every blessing  
on those who 'hide/absorb themselves in  
their Friend'

And declare these people to be recipients  
of God's mercy and blessings and to be  
indeed the guided ones

## Persecution and Prayer

In addition, guidance of the world is also  
associated with them

**DECEMBER 3RD, 2010**

# Persecution of Ahmadis

## Hudhur (aba) directed

Those Ahmadis who are currently enduring persecution should put greater focus in their prayers

Those who are not directly troubled should pray for their brothers and sisters

Hudhur (aba) said that each Ahmadi should offer two Nafl Prayer a day for the persecuted Ahmadis, those who are deprived of their civic rights through vicious laws

A true believer feels the pain and troubles of his brother as his own trouble

If each Ahmadi presents his/her concerns before God in an increased manner, God will take them in His refuge in a greater way

**DECEMBER 3RD, 2010**

It is these on whom are blessings from their Lord and mercy, and it is these who are rightly guided.

Chapter 2, Verse 158

أُولَئِكَ عَلَيْهِمْ صَلَوَاتٌ مِّنْ رَبِّهِمْ وَرَحْمَةٌ وَأُولَئِكَ هُمُ الْمُهْتَدُونَ

Hudhur (aba) said those who 'hide in their Friend' endure all difficulties to seek the pleasure of God and God states about them

## Persecution of Ahmadis

They do not let go of their God even after enduring the harshest of tortures, on the contrary, they try and hide/absorb in their God even more

God states that these are the people who will attain spiritual heights and will also be granted material blessings and they indeed are the guided people

**DECEMBER 3RD, 2010**

Hudhur (aba) said Ahmadi students write to him about how their peers and teachers harass them

Hudhur (aba) said there was a time when teachers imparted knowledge to everyone regardless of religious background etc.

## Persecution of Ahmadi students

But today, those who deem themselves to be the best of Muslims are making a mockery of the honourable profession. They claim they do so out of a 'sense of honour for religion'. As a matter of fact it is nothing but the height of ignorance

**DECEMBER 3RD, 2010**

وَلَا يَجْرِمَنَّكُمْ شَنَاٰنُ قَوْمٍ عَلَىٰٓ اَلَّا تَعْدِلُوْا

(Chapter 5: Verse 9 ).

and let not a people's enmity incite you to act otherwise than with justice

Referring to teachers, who persecute Ahmadi students. Hudhur (aba) said that they are educated ignoramuses who do injustice by following the ignorant mullah and ignore this Qur'anic injunction

## Persecution of Ahmadi students

One solution for the believers for all the persecution is to turn to God, to lose themselves in Him

**DECEMBER 3RD, 2010**

Hudhur (aba) said our enemies are enacting their ploys, be that in Pakistan, India, African countries or Indonesia

In Indonesia persecuted Ahmadis returned to their homes after a period of time to resettle but extremist mullahs, who are paid by some countries, burnt down their homes and beat them up

As a result they had to abandon their homes and their properties

Hudhur (aba) said believers will continue to turn to God when faced with such persecution and this is the only weapon of our triumph which will make the enemy's evil rebound on him

## Persecution of Ahmadis

**Apart from prayer, we do not have anything**

The greater the intensity with which we will use this weapon, the quicker we will see the triumph of our Community

**DECEMBER 3RD, 2010**

God has repeatedly told me through revelation that whatever will come to pass will be through prayer

The best prayer is that God's pleasure and deliverance from sin is attained

God waits that believers pray to Him so that He may grant

Prayer is like a sweet fountain availed to believers. Whenever a believer wishes, he can satiate himself on this fountain

The great aspect that is achieved with prayer is Divine closeness

Certainly, consider that prayer is a great treasure

## Persecution and Prayer

The Promised Messiah (on whom be peace) said:

DECEMBER 3RD, 2010

Hudhur (aba) said in this age the prayer is a significant weapon that has been granted to the Promised Messiah (on whom be peace)

- Through prayers opponents like Lekh Ram, Alexander Dowie and others met his bad ending

The Promised Messiah (on whom be peace) said that the correct station of prayer is Salat

Thus we should offer two Nafil Prayers for our persecuted Ahmadi brothers and sisters and make it obligatory on us

Claimants to demolish Qadian were also contended with through prayer

- Those who called Ahmadiyyat a cancer and those who claimed to reduce us to beggars were also dealt with prayer

## Persecution and Prayer

Hudhur (aba) said today too, the opposing storms will rebound through prayer and the world will witness the progress of Ahmadiyyat

**DECEMBER 3RD, 2010**

# Persecution and Prayer

Hudhur (aba) explained that in order to attain complete sincerity and absolute devotion to God, it is needed to lose oneself in the Hidden Friend

This will safeguard one as if in a fortified enclave guarded by armed soldiers

May God enable us to understand this very important point and also to put it in practice. Ameen

Hudhur (aba) said the following quote of the Promised Messiah (on whom be peace) should always be remembered:

**'When a believer's prayer attains complete sincerity and absolute devotion to God then God feels mercy towards him'**

رَبَّنَا آفِرِغْ عَلَيْنَا صَبْرًا وَثَبِّتْ أَقْدَامَنَا وَانصُرْنَا  
عَلَى الْقَوْمِ الْكَافِرِينَ

Chapter 2, verse 251

O our Lord, pour forth steadfastness upon us, and make  
our steps firm, and help us against the disbelieving  
people

## Persecution and Prayer

In conclusion Hudhur (aba) read the Qur'anic prayer
