

# Islam Ahmadiyyat - The Truth Prevails

Sermon Delivered by Hadhrat  
Mirza Masroor Ahmad <sup>at</sup> Head  
of the Ahmadiyya Muslim  
Community

December 9<sup>th</sup> 2011

December 9<sup>th</sup> 2011

# SUMMARY

The detractors of Ahmadiyyat deny the claim of the Promised Messiah (on whom be peace) because of their obstinacy, egotism and vested interests and they persecute Ahmadis

This opposition is extending to the West, where civil liberties are safeguarded by the government; these governments are generally fair

Hudhur (aba) commended the fairness of Dutch government in response to accusations from Dutch MP Mr. Geert Wilders

Hudhur (aba) explained the summary of his message to the Pope and described a meeting with the great grand son of Henry Martin Clark

Hudhur (aba) gave the sad news of martyrdom of Maryam Khatoon sahiba in Pakistan

The detractors of Ahmadiyyat deny the claim of the Promised Messiah (on whom be peace) because of their obstinacy, egotism and vested interests

On the other hand, the Promised Messiah (on whom be peace) has put forward thousands of arguments derived from the Holy Qur'an, Hadith and from commentaries of earlier scholars of Islam supporting his advent

Though pious-natured people, for whom God had decreed guidance have accepted the Promised Messiah (on whom be peace) and have the privilege to take his Bai'at

December 9<sup>th</sup> 2011

**Islam Ahmadiyyat**

There are others who also understand but out of fear of the so-called mullah and by following him, continue to deprive themselves of this spiritual blessing

December 9<sup>th</sup> 2011

Mullah throw pages of the Qur'an in the sewer or rubbish heap and incriminate Ahmadis

Their other tactic is to write the name of our master, the Holy Prophet (pbuh), in wrongful manner and in wrongful spots and implicate Ahmadi children

For this our children are expelled from the school, they are beaten up and efforts are made to file court cases against these innocent children for affronting the Prophet (pbuh).

Such cases have a no-bail clause and the penalty is extreme

## Mullah and Persecution of Ahmadi children

**So-called maulwis and their cohorts have reached the extreme pits of morality where in order to persecute Ahmadis, they do not even desist from affronting the Holy Qur'an and the Holy Prophet (pbuh) and put the blame on Ahmadis**

The cries of the victims work when such immorality takes place

Hudhur (aba) has often drawn attention that our prayers should only revolve around the progress of Ahmadiyyat, true Islam, so that God brings about the chastisement of those who have exceeded limits in cruelty in the name of God. They are trying to discredit God, Islam and the Holy Prophet (pbuh)

December 9<sup>th</sup> 2011

## Prayers for Pakistan

Hudhur (aba) said we should also pray that the pious-natured among them are enabled to give the salaam of the Holy Prophet (peace and blessings of Allah be on him) to the Imam of the age

It is not that the majority of Muslims are a part of the current disorder and cruelty

Today it is not the rule of law, rather it is rule of mullah

Fact is that a large majority does not wish to understand the message of Ahmadiyyat due to unawareness and out of fear

Or there are those who understand, but are in fear of the laws of the land

December 9<sup>th</sup> 2011

## Persecution of Ahmadis

And out of fear of the mullah, law of the land does not allow Ahmadis full citizens' rights

Mullah has put it in the minds of the uninformed that God forbid, Ahmadis consider Hadhrat Mirza Ghulam Ahmad (peace be on him) the last Prophet

- **This is incorrect.**

December 9<sup>th</sup> 2011

We say that the true and ardent devotee of the Holy Prophet (pbuh) came to bring people of all religions to bow to the Holy Prophet (pbuh).

## **The true status of the Promsied Messiah (on whom be peace)**

The Promised Messiah (on whom be peace) silenced the world with his arguments and reasoning and provided unassailable defence of Islam. Not only did he stop the onslaught of the enemy, he made them retreat. His arguments and reasoning left no choice for the attackers of Islam to take flight.

## The true status of the Promised Messiah (on whom be peace); A Divine Revelation

'Proclaim, truth has arrived and falsehood has vanished, indeed falsehood is bound to vanish. Every blessing is from Muhammad<sup>sa</sup>, then blessed is he who taught and he who was taught' and further wrote: 'All these revelations constituted a prophecy that through me God Almighty will establish the truth of Islam and the falsehood of all other faiths. That prophecy now stands fulfilled because no opponent has had the capacity or fortitude to prove the truth of his faith as against me. Heavenly signs are being displayed at my hand and the verities and deeper meanings of the Holy Qur'an are being set forth through my pen.'

Arise and search everywhere in the world. Is there anyone from among the Christians or the Sikhs or the Jews or the followers of any other faith who can stand against me in exhibiting heavenly signs and in setting forth verities and learning? I am the one concerning whom this Hadith is found in the authentic books of Hadith that in his time all religious communities will be destroyed but Islam will shine brighter than it ever did in the intervening periods.

# Mullah and persecution of Ahmadis Opposition of the Holy Qur'an exhibition

Today, it is the community of the Promised Messiah (on whom be peace) that the teaching of Islam shines

It is his Community that is undertaking the task of Tabligh under the auspices of Khilafat in Africa, Europe and other parts of the world to present a true picture of Islam

The Community holds exhibitions of the Holy Qur'an all over the world to expound its teachings in response to the attacks of the enemies of Islam

These exhibitions make a very positive impact on public about true teachings of Islam

December 9<sup>th</sup> 2011

However, the mullah did not even desist from opposing our exhibitions. An exhibition in Delhi had to be cut short because of furore created by mullah who joined a few extremists

Recently a Qur'an exhibition was being organised in a UK city but the mullah raised objections and the police requested our administration to cancel the exhibition

Hudhur (aba) said, 'on principle, such requests should be refuted with reasoning, but the local Jama'at accepted their request and cancelled the exhibition

December 9<sup>th</sup> 2011

If we indulge the mullah in these countries of established civil liberties, we will become those who promote extremism even in this country

We should also make the authorities understand this point very well and should reorganise the exhibition'

## Mullah and Opposition of the Holy Qur'an exhibition

Hudhur (aba) said as mentioned before it is a general good point of Western countries that everyone is the same in the eyes of law here, therefore, if anyone impedes our work here, we should seek the help of law.

# Fairness of Dutch government

December 9<sup>th</sup> 2011

During Hudhur's recent European tour, he led a Friday Prayer in Holland and Hudhur gave a message to a Dutch politician, an MP Geert Wilders

In that sermon, Hudhur (aba) had said that those who are excessive in disrespecting Islam and the Holy Prophet (pbuh) should desist from it, or else fear God's chastisement.

When it comes, God's chastisement destroys the likes of the politician and God has the power to chastise

Hudhur (aba) had also said that we have no power but we will contend with the likes of the politician with prayers

When the person in-charge prepared a press release based on a summary of this Friday sermon, Hudhur (aba) told him to include the sentence in which Hudhur (aba) had mentioned that we do not have any worldly weapons but we pray that the politician and people like him perish

## Accusation

- Geert Wilders read the press release and wrote to the Dutch government accusing this to be a 'mischievous' message

## Response

- The Dutch interior minister responded that the purport of Hudhur's message was that such people would perish through prayer and not through any means of secular violence

## Justice

- Hudhur(aba) said the answers of the Dutch interior ministry are based on justice and fairness

December 9<sup>th</sup> 2011

## Fairness of Dutch government

Hudhur said we have been given the obligation to take the message of Islam to the ends of the earth and to silence the enemy with reasoning. Every Ahmadi is undertaking this task in accordance to his or her capacity.

# Message to the Pope

December 9<sup>th</sup> 2011

Recently the Ameer sahib of Kababir attended an inter-religious meeting with the Pope and conveyed a message of Hudhur (aba) to the Pope and high-ranking priests at the Vatican

The letter of message was received personally by the Pope who was also given a copy of the Holy Qur'an with Italian translation

Hudhur (aba) gave the summary of this message in which he wrote to the Pope that he had a voice in the world and had a large following, therefore he should try that all world religions get together and work for peace and recognise the One Creator

# A Divine Sign

December 9<sup>th</sup> 2011

The Promised Messiah's (on whom be peace) book 'Jang e Moqaddas' gives a detailed account of this while his book 'Kitab ul Bariyyah' relates the false court case for murder that Martin Clark had filed

Hudhur (aba) said a very infamous law case was filed against the Promised Messiah (on whom be peace) by a priest named Henry Martin Clark in order to avenge the defeat of Christians by the Promised Messiah (on whom be peace) in a religious debate

The Promised Messiah (on whom be peace) was honourably acquitted of by the judge of the time, Captain Douglas, who the Promised Messiah (on whom be peace) entitled Pilate II

Recently the great-grandson of Henry Martin Clark came to see Hudhur (aba) after tracing his genealogy

Hudhur (aba) said people come to meet him all the time but in this meeting what the great-grandson said is a sign of the truthfulness of the Promised Messiah (on whom be peace)

# A Divine Sign

December 9<sup>th</sup> 2011

At this, the great-grandson said, 'God has certainly shown a sign even today.'

In any way, today God is demonstrating the truth of the Promised Messiah (on whom be peace) through the children of enemies of Islam.

It was explained to him by Asif Sahib of MTA that some harsh words the Promised Messiah (on whom be peace) had to use for Martin Clark were because of his inflexibility

If the account of the debate is read, it becomes very clear that Islam was victorious but he continued to raise slogans that Christianity had won

On which the Promised Messiah (on whom be peace) had said that prayer should be made for God to show clear sign

# The Promised Messiah (on whom be peace) wrote

December 9<sup>th</sup> 2011

The Promised Messiah (on whom be peace) said whoever rejected him in fact rejected God and His Prophet (peace and blessings of Allah be on him) because whoever accused him of falsehood, prior to doing so, God forbid, considered God false although he could see that internal and external disorders had exceeded limits. And in spite of God's promise of **'Verily, We Ourselves have send down this Exhortation, and most surely We will be its Guardian'** (15:10) reformation of these people had not been arranged.

# The Promised Messiah (on whom be peace) wrote

December 9<sup>th</sup> 2011

God has promised in Ayat e Ishtakhlaf that just like the Mosaic dispensation, He would establish successors in the Muhammadan dispensation as well, but God forbid, He has not fulfilled His promise. The Quranic assertion that the Holy Prophet (peace and blessings of Allah be on him) was a Prophet in the Mosaic tradition will also have to be denied, God forbid, because it was essential for the congruity that a Messiah should appear in the fourteenth century from this Ummah, just as a Messiah had appeared in the fourteenth century of the Mosaic dispensation.

Similarly the Quranic verse: **‘And *among others*, from among them who have not yet joined them...’** (62:4) would have to be denied because it gives the tiding of the advent of the Messiah. Likewise many other verses of the Qur’an would have to be denied, in fact, the Promised Messiah (on whom be peace) said with conviction that the entire Qur’an would have to be abandoned. He remarked, ‘consider then, is accusing me of falsehood, an easy matter?’

# The Promised Messiah (on whom be peace) wrote

'Do not thrust your hand into fire lest the fire should flare up and consume it. Remember well that had this been man's doing, there would have been many who would have destroyed it and it would not have survived for twelve years, which is an age of maturity. Do you recall any impostor who, having falsely claimed converse with God, has survived for such a long time? It is a pity that you do not reflect nor recall the verses of the Holy Qur'an, wherein God says with reference to the Holy Prophet<sup>sa</sup>, that had he falsely attributed the smallest thing to God, He would have severed his jugular vein.

Who is dearer to God than the Holy Prophet<sup>sa</sup>, that he should not only survive such a great imposture, but should be enriched by Divine bounties?

December 9<sup>th</sup> 2011

# The Promised Messiah (on whom be peace) wrote

December 9<sup>th</sup> 2011

Brothers! refrain from self-deception and be not obstinate in matters which are specially in the knowledge of God. Break your habits, become new men and tread along the paths of righteousness so that He may have mercy on you and may forgive your sins. Fear God and restrain yourselves. Is there not one among you who is rightly guided? If you do not desist, God will soon bring help to His servant and will break up his enemies and you will be able to do him no harm

**Maryam Khatoon  
sahiba**

Maryam Khatoon sahiba was martyred in Pakistan on 5 December; her attacker escaped with the help of local police

Her family was attacked and she passed away on the spot. The attack was due to a dispute which had its basis in enmity with Ahmadiyyat

She was 25 year old and hailed from a farming family. She leaves behind her husband and three small children

**Martyr of Ahmadiyyat**

Azeem un Nisa sahiba passed away on 3 December in Qadian. She was the wife of a dervish and daughter in law of a companion of the Promised Messiah (on whom be peace).

Hudhur said he would lead some funeral Prayers in absentia after Prayers

**May Allah raise their status in Paradise and may their pious virtues continue in their children**

**May God make the  
opponents of the  
Promised Messiah  
(on whom be peace)  
have some sense  
and understand this  
message**

**May God protect all  
Ahmadis from all  
evil in every place  
and enable us to  
turn to Him with  
prayers**
