SUMMARY

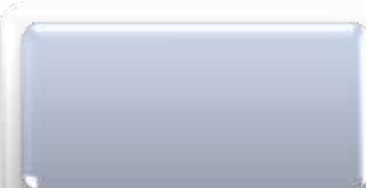

A day of death is appointed for each person who comes in this world

Those whose deeds will be in accordance to God's pleasure, who will give preference to faith, will be inheritors of blessings in the eternal life

The glad-tiding of Paradise is also given to those who give their lives for faith and attain the status of martyrdom

Today's sermon is about two such people; one of them a life-devotee of the community and the other a martyr

Prayer

A day of death is appointed for each person who comes in this world

God states that everything in this world is going to perish; however, He also gives the glad-tiding that after the end of the transitory life of this world, eternal life will begin

Those whose deeds will be in accordance to God's pleasure, who will give preference to faith, will be inheritors of blessings in the eternal life

They will be granted forgiveness and mercy and will be given nearness to God because they would have tried to gain His pleasure and would have tried to make their lives worthwhile

The glad-tiding of Paradise is also given to those who give their lives for faith and attain the status of martyrdom

Prayer

Today it is only the people of the community of the Muhammadan Messiah who try to spend every minute of their lives for publication of faith, and they do so till their last breath, or they are martyred for the sake of their faith, targeted by the oppressors for the 'crime' of accepting the Muhammadan Messiah

Today's sermon is about two such people; one of them a life-devotee of the community and the other a martyr

Thus, this sincere and loyal son of Ghana became an excellent helper of Khulafa of the time and garnered many honours for Ghana

Hadhrat Khalifatul Masih IV (may Allah have mercy on him) appointed him as naib Ameer of Ghana for Tabligh and he served in this post till his passing away

Under his supervision refresher courses were held in the Tarbiyyat centres and Tabligh centres in Ghana which were attended by Imams as well as new converts

When Hadhrat Khalifatul Masih V stressed that contacts should be established with lost Ahmadis, Hafiz sahib made full efforts and as a result hundreds of thousands were brought back in the Nizaam of the Jama'at

Prayer

Ahmadiyyat was established in the
Solomon Islands in 1988

As a result now a strong Jama'at is
established in the Solomon Islands
with hundreds of Ahmadis

Prior to the establishment of Jama'at there was no Muslim on
Solomon Islands

In 1991 Hafiz sahib sent a
report to Hadhrat Khalifatul
Masih IV (may Allah have
mercy on him) saying that
he had returned to Solomon
Islands after two years to
find that his work of two
years ago was all but gone

Hadhrat Khalifatul Masih IV
(may Allah have mercy on
him) expressed regret and
displeasure at this but Hafiz
sahib did not rest for a
minute after this and
resolved to retrieve all that
was lost

was due, has a
large US air base

Against People's
advice, after
prayers he
carried on
instructions of the
Khalifa of the time
and went to
Marshal Islands

In Marshall Islands, Hafiz sahib was given the chance to inform people in detail about Islam on air. This proved most beneficial, Forty nine new Bai'ats took place

Prayer

It is said that Hafiz sahib had a passion for Tabligh work. He would go with teams of people doing Tabligh and would keep an eye on their work

As a result of his extensive Tabligh work the Jama'at is recognised in the north of Ghana

If complaints were received about the Tabligh work of mu'alameen, rather than discharge the person, his aim would be to make them active once again

Such was his overwhelming sense of service that he wrote his last letter to Hadhrat Khalifatul Masih from his ICU bed in hospital. He wrote that he was in great pain and there was a lot of work to be done but he had no strength.

Thus, he was concerned till his last moments to take the message of Ahmadiyyat, true Islam to others and bring them in its fold.

A beautiful incidence

When he was chosen to go to Rabwah from Ghana as a young child to be a Hafiz, he initially failed his medical test

His father prayed intensively in Tahajjud and was given a glad tiding that there is success for the righteous

A couple of weeks later another medical was taken and Hafiz sahib was deemed fit

Once he was in Pakistan, whenever his father wrote to him he would say that his going to Pakistan was God's decree and he should pay attention to his studies.

Ahmadiyyat came in his family through his father's great grandmother who took her Bai'at directly from the Promised Messiah (on whom be peace)

He had faced religious enmity for quite some time. Our Jama'at is being boycotted in the area. A Maulwi from Dera Ghazi Khan has arrived in the area and has declared Ahmadis as 'liable to be killed
