# Summary Proofs of Truth

God Almighty guides those who pray with a pure heart.

God Almighty prevents the righteous-natured people from taking wrong actions by guiding them.

Muslims are killing other Muslims, and the reason for this is that they have not accepted the Imam of the time.

Some pure-natured people believe Ahmadiyyat to be true in their hearts, yet, they do not do Bai'at due to various reasons.

God Almighty even provides the means for guidance to idolaters as well.

**Hazrat Khalifatul Masih ( ABA) said that Last Friday, while speaking in regard to the Promised Messiah (AS) I mentioned that he stated:**

If a person prays fervently to Allah Almighty for forty days in his prayers and remains unbiased and is free from any kind of stubbornness, then God Almighty will disclose the truth for him within this period."

"The people whose hearts retain rancor, anger and are void of pure thoughts, they will always say that 'God Almighty did not guide us through dreams' or 'Or God informed us to oppose you'."

**Hazrat Khalifatul Masih ( ABA) said that it is absolutely essential for such a person to have a pure heart. A heart that is free from every type of prejudice.**

**God Almighty guides those who pray with a pure heart.**

During the time of the Promised Messiah (AS), God Almighty guided many people through dreams in his life.

Once it was mentioned during a gathering that someone from Lahore wrote a letter in which they wrote that a saint in Lahore said, 'Mirza sahib's continuous progress proves his truthfulness.'

At this, another dervish said, 'Let me inquire about this matter as well [from God].' And so, the next day he said, 'God has informed me that Mirza is a Maula (master).'

Upon hearing this the other dervish said, 'God must have said 'Maulana'. This means that he [Mirza] is your Maula and my Maula and everyone's Maula.'

**When the Promised Messiah (AS) heard this, he said:**

**'Nowadays, people see many dreams and visions. It seems as if God Almighty desires to inform people of the truth through dreams.'**

# Guidance is provided by Allah Almighty

Then the Promised Messiah (AS) narrated the account of a man who had intended to write a book against the Promised Messiah (AS).

This person saw the Holy Prophet (SA) in his dream.

The Holy Prophet (SA) said that 'you are writing against Mirza sahib but in reality, Mirza sahib is truthful.'

**Thus, God Almighty prevents the righteous-natured people from taking wrong actions by guiding them in this way.**

## Hazrat Khalifatul Masih ( ABA) said:

A person from Mali received guidance from Allah the Exalted regarding the truthfulness of the Promised Messiah (AS) in this manner.

Mustafa Diallo Sahib saw a dream one day that he was in an extremely beautiful house in paradise.

Water was flowing to one side of the house, and there was a picture of a saint of white complexion in it and was wearing a turban.

He says that a short while after seeing the dream, he visited one of his friends, and he saw the picture of this very saint in his house.

He asked his friend about the saint in the picture, upon which he was told that this is the Imam Mahdi.

Diallo Sahib formally pledged initiation and entered the Jama'at. By the grace of Allah, he is a very active member.

**Jamila Sahiba from Yemen stated:**

I spent time in days of solitude seeking spiritual development, I saw in a dream that a very large star in likeness to the moon descended upon the earth and was walking on the earth. Following this, it entered our house through the roof. Only a few days later, I saw a further five stars in another dream, which are walking on the earth in a single file.

However, they are smaller in size in comparison to the star I saw earlier. I was then introduced to the Jama'at through MTA, I heard in the programme "Al-Hiwar-ul-Mubashir" that those in search of the truthfulness of Hazrat Imam Mahdi (AS) should offer the Istikhara prayer and beseech God the Exalted for guidance.

The interpretation was perhaps not clear to Jamila Sahiba, however, the first star she saw is most probably the Promised Messiah (AS) and the others are the five caliphs.

Hence, she says that according to the prescribed way, she offered two rak'at and went to sleep.

She says that the same night, I saw in a dream that I saw Hazrat Imam Mahdi (AS). His face was glowing in the likeness of a bright moon and his eyes were filled with sorrow. When I carefully looked at his face, it was the face of the same Imam Mahdi and Promised Messiah, which I had seen on MTA

When I woke up, my eyes were filled with tears. She says that following this dream, I was certain that this is the truth and that this person is the Imam of the time. Hence, I decided to pledge initiation to this Imam.

Hazrat Khalifatul Masih ( ABA) stated:

She is from Yemen. Everyone is aware that the circumstances in Yemen are very dire these days. Their neighbouring country, Saudi Arabia, has closed all routes to Yemen via sea and via air. Innocent children, women and elderly people are dying because of not having any food or facilities for medical treatment.

Muslims are killing other Muslims, and the reason for this is that they have not accepted the Imam of the time. Pray for them as well that Allah the Exalted may change their circumstances and so that they may breathe a breath of freedom and comfort. May Allah the Exalted have mercy on them.

Proofs of Truth

**Some pure-natured people believe Ahmadiyyat to be true in their hearts, yet, they do not do Bai'at due to various reasons.**

With regards to how Allah the Exalted draws their attention towards doing Bai'at and formally joining the Jama'at, our Mu'allim from the region of Kayes in Mali writes that

A close friend of our friend, 'Abdul Hay Jabi Sahib, suddenly passed away in the last ten days of the month of Ramadhan. One day, he saw in a dream that he was travelling by bus with this deceased friend of his.

His friend said to him, 'the Jama'at you are about to enter is a true Jama'at and I am also entering this Jama'at. 'After this, he accepted truth and became an Ahmadi.

Mahmood Ghareeb Sahib from Egypt stated:

Since the age of 9 I have been hearing a powerful voice in my dream which continues to ring in my ears. Then in 2010, I became aware of MTA

When I heard some sayings of the Promised Messiah (AS) in the voices of Muhammad Shareef Odeh and Asad Musa Odeh, I immediately realised that this was the same voice I used to hear in my dreams since the age of 9.

Hence, I began watching MTA with greater interest. One day I was watching MTA and the picture of the Promised Messiah (AS) came up.

Addressing him I said, 'I ask you by God, are you truthful in your claims or not?' After this he went to work. When he returned in the evening he turned on the TV straight away and tuned in to MTA.

The extract of the Promised Messiah (AS) was being read out: That is to say O my people! I have been sent by God Almighty. I have been sent by God Almighty. I have been sent by God Almighty. I have been sent by God Almighty and I call my Lord to witness that I am from God Almighty. When I heard this, I fell to my knees and uncontrollably started saying peace be upon you, peace be upon you.

Jameel Zaran Sahib from Jordan stated:

One night I saw in a dream that I am standing alone on a road which is straight and firm. All of a sudden, a modern Mercedes car comes, in which the person sat on the seat next to the drivers instructs me to drive the car.

I sit in the driver's seat. In my heart I felt I was sat with the Imam Mahdi (AS). As the car was running people with dark faces appeared and started firing at us but we reached our destination safely.

The Imam Mahdi (AS) tells me to open the boot of the car. I get out of the car and open the boot. In it there is a lovely wooden box in which there is a very beautiful 5-year old boy who looks at me.

My interpretation of it was that the new car represents a new journey of life. The dark-faced people represented the opposition to this new journey which will have no effect. Secrets are kept in the lovely box and the 5-year old represents some glad tidings which will come to fulfilment within 5 years.

When I woke up I was very pleased with this dream and thought to myself that this is definitely a message from God.

Astonishingly, my new life journey commenced when I came to know of the Ahmadiyya Community and I was enabled to enter into the Jamaat in the blessed era of the fifth Khalifa.

Muhammad Abdullah Sahib from Syria stated:

I worked as a salesman and I was acquainted with one Ahmadi. My relationship with him increased so he informed me of the fundamental teachings of the Community and its reformative

**He gave me the Arabic translation of Islami Usul Ki Philosophy and I was very much impressed having read it. I really liked the logical points in it.**

I had firm faith, through a true vision that God Almighty would not let me go to waste and would most certainly guide me, therefore, keeping this in mind I began to do istikhara.

I saw a pious relative of mine in my dream who handed me a paper saying it was from the Holy Prophet (SA). I enthusiastically opened it very quickly and written inside it was:

'peace and blessings of Allah be upon you'. I woke up very happy and was reciting the Quranic verse: That is, 'Enter therein with peace, in safety'. It was a clear message to enter into the Community.

**I was sure that this was the answer to my istikhara so then I took the oath of allegiance.**

Proofs of Truth

Saeed Rukha Sahib from Egypt related two long dreams in which he saw the Holy Prophet (SA) twice, with two different physical appearances.

Many years passed by and one day, I was watching different channels on the television when I came across MTA. The program Al-Hiwar Al-Mubashar was being televised in which they were discussing the death of Jesus (AS).

After a while, during the program Sharif Odeh Sahib said that they will take a break in which the audience will be able to listen to the Qaseedah by the Promised Messiah and Imam Mahdi (AS).

Alongside the Qaseedah a picture of a man was being displayed which astounded me. The picture was the same person that I saw in my dream about whom I was informed that he was the Holy Prophet (SA).

When the truth dawned on me I did not confide in anyone, and along with my wife we began to watch MTA covertly.

After a month had passed I asked my wife what her views were about this community. She said: "In my opinion this is a true and genuine community".

**Hazrat Khalifatul Masih ( ABA) said:**

**Thus, God Almighty even provides the means for guidance to idolaters as well.**

**A lady from France, Nadia Sahiba, states: 'My husband was Ahmadi from before, however I had not done the Bai'at.**

**I prayed to God Almighty that O Allah! Guide me. During this time, I saw a dream that I was sitting in the library inside Masjid Mubarak in France (we have a mosque there).**

**I then saw my late father in the dream who gifted me a copy of the Holy Quran and along with it a document.**

**After this dream I accepted Ahmadiyyat and then realised that the document which my father gave me was in fact the Bai'at form and thus as a result of this I accepted Ahmadiyyat.'**

Hazrat Khalifatul Masih ( ABA) said:

Another friend, Rizwan Sahib from Algeria, writes: 'After being introduced to Ahmadiyyat, I became totally devoted to watching MTA.

I performed the Istikhara prayer and in the night, I saw in my dream that all five Khulafa of the Promised Messiah (AS) came to my house and I am sitting amidst them.

The dream though was brief but carried a clear message for me. In 2009 I did the Bai'at.'

May God Almighty increase the newcomers in their faith and belief and also in their sincerity and devotion.

And we, who are Ahmadis for a long time, may we also increase in our sincerity and faith.
