Summary

There comes such an hour on (Friday), which, if a Muslim encounters while standing in prayer, then whatever supplication he makes, it is accepted or whatever goodness he asks for, it is granted to him by Allah the Exalted (Hadith)

Thus, today, during this last *Jum'ah* of Ramadan, I deemed it appropriate to recite certain prayers, so that those who are not sufficiently aware may also understand the significance of prayers.

So that we, as a Community, may present our prayers and supplications before Allah the Exalted and then collectively pray for the acceptance of these supplications during the *salat*.

I will now recite some Qur'anic prayers and some related from the Holy Prophet (sa). Those, who are able to, should, by all means, recite them silently and also continue saying '*ameen*' quietly
