“The fifth means of achieving the purpose of life appointed by God Almighty, is striving in His cause; that is to say, we should seek God by spending our wealth in His cause, and by employing all our faculties in furthering His cause, ...; as it is said: **Strive in His way with your wealth and your lives and with all your faculties; and: Whatever We have bestowed upon you of intelligence and knowledge and understanding and art, employ it in Our cause. We surely guide along Our ways those who strive after Us.**”

The Promised Messiah (peace be on him) has said:  
“It is not possible for you to love wealth as well as to love Allah. You can love only one of them. Fortunate is he who loves Allah. If any of you loves Him and spends his wealth in His cause, I am certain that his wealth will increase more than that of others, ....”

The Promised Messiah (as) further stated:  
“It should be so that every member, every individual of our Community pledges that they shall [regularly] give a certain amount of *chandah*. Whosoever makes this pledge for the sake of Allah the Exalted, Allah will in turn bless his wealth.”

Hazrat Khalifatul Masih V (aba) recounted many incidences about how people made every effort to excel in making financial contribution for the cause of faith; they sold family jewels, and their sole possessions such as seeds for the harvest for the next season and a meagre bucket of maize to gain the pleasure of God Almighty.

Those who made such sacrifices saw that their harvest miraculously doubled, their businesses yielded unbelievable profits and they experienced that when they gave their only food for the cause of God, replenished this with much more than what they gave away.

In Australia these days, the [bush] fires have caused a lot of destruction, may Allah Almighty have mercy on them and may the people there recognise their creator. Despite all this, the Ahmadis there are offering great sacrifices. May God Almighty greatly bless the wealth and progeny of all those around the world who offered sacrifices.

The Middle East is also falling into further disarray.

There is a growing possibility of war erupting between the USA, Iran and Israel.

There is no unity among the Muslim countries.

Thus, we ought to pray profusely to save the world from catastrophe and for mankind to turn towards God Almighty

# The New Year

As we enter the new year, storm clouds continue to gather ahead.

Ways of Seeking Allah

Thus, in order to make this year a blessed one, we should pray to God Almighty, that may He halt governments, who only want to prove their superiority over others, from taking the world towards destruction.

May these governments not annihilate mankind having succumbed to their egos and in pursuit of their vested interests. May God Almighty grant them wisdom.

Thus, this true new year greetings place a great responsibility upon every Ahmadi, be they a man, woman or child and we must utilise all of our strengths, faculties and capabilities and strive to our utmost to achieve this

Through our prayers, we must form a special relationship with God Almighty and only then can we receive the blessings of this year. May God Almighty enable us to do so.
