

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

The Amīr/ National President  
Jamā‘at Aḥmadiyya,

Dear Brother,

السّلام علیکم ورحمة اللّٰه وبرکاتہ

On 8<sup>th</sup> October, 2010, Ḥaḍrat Khalīfatul Masīḥ V ایده اللہ تعالیٰ delivered the Friday Sermon at Baitul Futūh Mosque, London.

Ḥuḍūr ایده اللہ تعالیٰ began the sermon with the recitation of verse 84 of *Sūrah Al-Qaṣaṣ* and verse 15 of *Sūrah Al-Naml*, which are translated as follows:

‘This is the Home of the Hereafter! We give it to those who desire not self-exaltation in the earth, nor corruption. And the end is for the righteous.’ (28:84)

‘And they rejected them wrongfully and arrogantly, while their souls were convinced of them. See then, how *evil* was the end of those who acted corruptly!’ (27:15)

Ḥuḍūr ایده اللہ تعالیٰ said: These verses speak of two categories of people. The first are those who avoid arrogance and mischief; these are the men of the Gracious God. The second are those who cross all limits in aggression and corruption; they are the servants of Satan and will come to a woeful end in accordance with God’s eternal practice.

Speaking at length about the difficulties being faced by Aḥmadīs in Pakistan, Ḥuḍūr ایده اللہ تعالیٰ said: Every Aḥmadī should fulfil his patriotic obligations and pray for the survival of his country. Jamā‘at Aḥmadiyya or Khilāfat Aḥmadiyya has no interest in acquiring worldly dominions, nor is this our purpose. The path that the Promised Messiah علیہ السلام has shown us leads to a spiritual kingdom and our aim is to win the crown of God’s approval. We have nothing to do with violence and aggression, for we are the messengers of peace, love and harmony, and we are the well-wishers of mankind.

Ḥuḍūr ایده اللہ تعالیٰ said: Earthquakes, floods and other natural disasters have become more and more severe and rampant during the last one hundred years. Our worries grow with every calamity because, if the world does not heed to God’s message, these calamities may be a precursor of far greater ones.

Ḥuḍūr ایده اللہ تعالیٰ said: In spite of all this, Aḥmadīs are always at the forefront in helping their fellow countrymen in these difficult times. After the recent floods in Pakistan, Aḥmadīs from all over the world made contributions through their embassies to help the victims. Aḥmadīs living in Pakistan have also been helping the victims with contributions as well as volunteer work. Humanity First plans to give an additional aid of a million dollars for the rehabilitation and rebuilding in flood affected areas.

Ḥuḍūr ایدہ اللہ تعالیٰ said: We do not use violence to win our rights. Prayer is a great weapon and it is through prayers that God will grant us success. Allāh says that the abode of the Hereafter belongs to those who do not desire exaltation in this world and do not resort to aggression. He also says that the final victory belongs to those who fear God and are not mischief-makers.

Ḥuḍūr ایدہ اللہ تعالیٰ said: All the aggression and violence against us is temporary and is fast coming to its destined end. The purpose of Divine Jamā'ats is to establish a link between man and his Creator and it was for this purpose that the Promised Messiah علیہ السلام was commissioned. May Allāh accept our prayers and guide this world. Let us also keep praying for ourselves with patience and perseverance so that the promise of final victory may be fulfilled in our favour.

The Promised Messiah علیہ السلام says, “Always remember that God will never leave this Jamā'at without establishing its truth. If this had been a lie invented by man, it would long have perished. I ask you to wait, for the days are near, indeed they are at hand, when the enemy will be disgraced and our friends will rejoice. Only those have truly accepted me who have studied me in depth, and have pondered over my words with wisdom, and reflected on my circumstances, and listened to my discourses, and deliberated upon them. It was thus that God opened their hearts and they became mine.”

Concluding the sermon, Ḥuḍūr ایدہ اللہ تعالیٰ prayed: May Allah strengthen us in our faith and open people's eyes to the truth. *Āmīn*.
