The Amīr/National President
Jamā'at Ahmadiyya,

.....
Dear Brother,

السّلام علیکم ورحمة اللّٰه وبرکاته

On 23rd September 2011, Hadrat Khalīfatul Masīh V ایده اللہ تعالیٰ delivered the Friday Sermon at Groß-Gerau Germany.

Hudur ایده اللہ تعالیٰ said: By the grace of Allāh, the Ijtimā's of Lajna Imāillāh and Khuddāmul Ahmadiyya Germany were successfully concluded earlier this week. As always, we witnessed Allāh's numerous blessings on these occasions. The pure conscience of the participants has been touched by my exhortations, for Ahmadis always take seriously every advice they are given. The auxiliary organisations should use this momentum to inculcate in their members the morals which the Promised Messiah علیہ السّلام came to foster. Hudur ایده اللہ تعالیٰ spoke about the emotions expressed by members of the Jama'at, and particularly the Atfāl, in response to Hudūr's ایده اللہ تعالیٰ addresses. Hudur ایده اللہ تعالیٰ said that it is now the duty to the parents to remind their children that the positive traits they have acquired should become a permanent part of their lives. Remember, temporary joy is no joy for us until our good deeds and the transformation we have undergone become part and parcel of our lives. Hudur ایده اللہ تعالیٰ expressed his appreciation at the discipline witnessed in the Lajna Ijtimā' and the concentration with which the address was heard.

Hudur ایده اللہ تعالیٰ outlined the prophecies about the coming of the Promised Messiah علیہ السّلام in the latter days and the perfection of the faith in his time. Hudur ایده اللہ تعالیٰ appreciated the efforts of Jama'at Ahmadiyya Germany who have been conveying the message of Ahmadiyyat to the Chinese people for the last two years through an exhibition in which literature of the Jamā'at in the Chinese language is also distributed. Such opportunities which enable the message of Islām to reach every part of the world are also a sign of the blessedness of this age. We should utilise these opportunities to the best advantage of the Jama'at. Every Ahmādī should try to conform his words and actions to the pledge of Bai'at. And we should consider ourselves fortunate for having accepted the Promised Messiah علیہ السّلام who taught us the way to true paradise to find Allāh's pleasure. Hudur ایده اللہ تعالیٰ prayed: May Allāh give us the power to mould our lives according to the wishes of the Promised Messiah علیہ السّلام. *Āmīn*.

Please convey these guidelines given by Hudūr ایدہ اللہ تعالیٰ to the members of your Jamā'at.

Jazākumullāh.

Wassalām,

(Ch. Hameedullah)
