The Amīr/National President  
Jamā'at Ahmadiyya,

.....

Dear Brother,

السلام علیکم ورحمة اللہ وبرکاتہ

On 14<sup>th</sup> October 2011, Hadrat Khalīfatul Masīh V ایده اللہ تعالیٰ delivered the Friday Sermon at Nunspeet, Holland.

Hudūr ایده اللہ تعالیٰ said: In this age Allāh has decreed that He will establish the supremacy of Islām over all other religions. As Ahmadīs, we know that Allāh is establishing the supremacy of Islam, particularly over the Christians and their doctrine of Trinity. No other religion or sect can counter this doctrine with such solid arguments and heavenly signs as does our Jama'at. Indeed, many pure hearted people among the Christians are admitting that true guidance is only to be found through Ahmadiyyat and that the Promised Messiah علیه السلام has been sent by God. Our Jama'at's efforts to spread Islām, to prove its superiority over other religions have been acknowledged by Christians and other right minded people.

Speaking about the persecution faced by Ahmadīs in Pakistan and in other countries, Hudūr ایده اللہ تعالیٰ said: Despite all the atrocities that are being perpetrated against Pakistani Ahmadīs, they still pray for the safety and integrity of their country. Hudūr ایده اللہ تعالیٰ said: The Jamā'at will always continue its efforts to project the true status of the Holy Prophet صلی اللہ علیہ وسلم to the whole world and this effort of the Jamā'at is being acknowledged by anti-Islām forces and the Christian missionaries.

Hudūr ایده اللہ تعالیٰ said: In the last Sermon, I urged Pakistani Ahmadīs to keep fast one day in every week. It will be more appropriate if a specific day, such as Thursday or Monday, is fixed by the Jamā'at for this fast. In any case, our focus should be to attract Allāh's love by making whatever sacrifices we can make, by establishing a personal relationship with Allāh, by raising our moral and ethical standards, by spreading the message of Islām and countering the objections that are raised against it. Jama'at Ahmadiyya Holland should also realize its responsibilities in this regard.

Speaking about the Dutch citizen who has crossed all bounds in abusing Islām, Hudūr ایده اللہ تعالیٰ said: Islam and the Holy Prophet صلی اللہ علیہ وسلم came for all times to come, and no one can wipe them off the face of the earth. There are many decent people in Holland who do not agree with such rhetoric; our Jama'at should approach such people and tell them about the beautiful teachings of Islām. Make contacts with people who wish to

foster love and harmony and launch a campaign to promote mutual tolerance, peace and unity.

Hudur ايدہ اللہ تعالیٰ said: The Promised Messiah عليه السلام and his Jama'at are the ones who are going to make the world realize the true status of the Holy Prophet صلى الله عليه وسلم and are going to bring the world under his banner. The Promised Messiah عليه السلام was the one who stopped the onslaught of Christianity in India. He sacrificed everything to defend the honour of the Holy Prophet صلى الله عليه وسلم.

Hudūr ايدہ اللہ تعالیٰ further said: In Africa, our missionaries have done a tremendous job of spreading Islām. They converted people who believed in the Trinity to Islām, so that they now believe in One God and send Durud upon the Holy Prophet صلى الله عليه وسلم. The Promised Messiah عليه السلام dedicated his whole life to uphold the honour of the Holy Prophet صلى الله عليه وسلم. His love for his beloved Prophet صلى الله عليه وسلم is evident from his writings. He says, "How can we compromise with those who use blatant language against our Holy Prophet صلى الله عليه وسلم and do not desist from unjustly maligning him. I say truly that I can make peace with snakes and wolves, but not with those who attack my beloved Prophet صلى الله عليه وسلم, who is dearer to me than my father and mother."

Hudur ايدہ اللہ تعالیٰ also related several instances of how noble people have recognized and accepted the Promised Messiah عليه السلام after being guided to him through dreams. Hudur ايدہ اللہ تعالیٰ said: We need not be perturbed by the insolence of our opponents. We should prostrate before God and seek His help. We should promote the pristine teachings of Islām through our example and our knowledge.

At the end of the Sermon Hudur ايدہ اللہ تعالیٰ asked the Jama'at to pray for laying the foundation of the Jama'at's first mosque in Belgium.

Please convey these guidelines given by Hudūr ايدہ اللہ تعالیٰ to the members of your Jamā'at.

Jazākumullāh.

Wassalām,

(Ch. Hameedullah)
